In The Beginning Currents Of Friendship

Registration is a begining and an end. It is the start of the school year and the end of summer. It is a constant rush from one place to another, from I.D. pictures to book check-in to class pictures to advisory room. Registration is also a mixture of many feeling the excitement of Seniors looking forward to their last year. Juniors just waiting for the year to be over with. Sophomores feeling a mixture of emotions- excitement, fear, lonliness and joy.

Ram Spirit!!! Students Show Spirit At Rallys

Question: What is it that compels the red blooded All-American Seniors, Juniors, and Sophomores of Riverview Gardens to get up earlier than usual each Friday morning during Football and Soccer season? Answer: Pep Rallies! Yes thats right, Pep Rallies. Every Friday morning, during football and soccer season, the students of Riverview Gardens congregate in front of the cafeteria to show their Ram spirit, for their team and their class! Each Pep Rally took place before advisory and was judged by the faculty. Once again as in years before the Seniors won the most Pep Rallies and during Spirit Week won the Spirit Stick. The Pep Rallies are lead by the Varsity cheerleaders.

This years team had many highlights. This does not include mud fights or camp. Tim Brown was chosen to the all-conference team, and the second place varsity finish in the District meet

Coaching these rugged runners was Gerry Moenster. The 1980 team co-captains were Phillip Paridy and Rick Peterson. This years varsity team has been undefeated since they were sophomores, which is 23 straight wins.

The members of this years team were sophomores. Lisa Paridy; the only girl member, Ron Adams, John Gaines, Anthony Harris, Tim Lake, Dave Smith, and Joe Gierer. baby soccer rams

Despite the Baby Rams overall record of 5 wins and 11 losses, this team is full of talented players

Alot of the varsity will graduate this year but some of these players should be able to pick up where the varstiy left off. Among these are John Peterson and Dan Wacker who led the team with 13 points apiece. Wacker led in goals with 9 and Peterson in assists with

Mr. Bankowski, the Baby Rams coach said Ted Clucas, Fullback and Ed DuBois; Halfback were two other outstanding players for the team.

Three of the teams five victories came in conference competition, enableing them to place 6th out of 9 teams in the Suburban North

Varsity Soccer Reaches for the Stars-

The fans and cheerleaders roared as the Rams walked away with another victory, the score I to 0 over the Hazel-wood Central Hawks. Premier Goaltender, Pat Baker racked up still another shutout, his fifteenth of the season. Many games were like this during the 80 season. Offensively the Rams were tremendous with Neil Madigan and Steve Stocker the leading goal scorers. Todd Whitney, Matt Brooks, Stacy Allen, and Dan Hogan are just a few who played an important part in leading the Rams on to victory.

This season the Rams took second place in the Suburban North Conference, missing first by only a half game. This was an upset, but when the Rams whipped the Rosary Rebels in double overtime 3 to 1 to win the District title, everyone knew that the Rams had what it would take They qualified for the state tournament in which they defeated the Hazelwood Central Hawks 1 to 0. They lost to Vianney and SLUH after hard fought battles at Lindenwood College The Rams finished their season by taking fourth in the state. Their overall record was 17-6-6. This was a highly

successful season for Coach Frank McHugh

Neil Madigan, Pat Baker, and Matt Brooks were named to the first team all conference. Pat was also named to first team all state and first team all midwest. Todd Whitney was named to the second team all conference while Dan Hogan and Scott Powelson received Honorable- Mentions

Neil and Pat were the team captains. Neil broke the all time school record for goals by scoring 28 in his high school career. Pat broke the school record for shutouts by recording 15. Pat also received the honor of being chosen High School's All American Goaltender

The Rams also enjoyed times of fun off the field. They were kidnapped by the Varsity cheerleaders and taken to breakfast on October 25, just two days before the Rosary game. Everyone had a good time, and weren't the cheerleaders surprised when they were kidnapped by the team??? Decorated locker rooms and lots of laughs helped make the 80 season even more memorable

The soccer Rams received much honor and recognition for their fine season

Ram Tough Varsity Football

This was a frustrating year for the football Rams Besides their record, one of the winningest coaches in Suburban North history, Mr. Nordman, retired Replacing him was an assistant Mr. Nicastro. Mr Nicastro stated that he played his own type of football strategy after he took over. He also said that the only way to stop the mistakes the Rams made is by concentration, practice, and execution

Statistically the Rams were a strong running team. Ricky Quinn gained 526 yrds, on 112 carries, a 4.6 average. Darren Thomas had 288 yds., 5 TD's and a 4.4 average. Grant Gerner completed 29 of 91 passes for 396 yards. Charles Monroe led in receptions with 11 for 192 yards. The leading tackler was Vince Rhone with 62, followed by Daryl Wilson with 59 and a team leading 3 interceptions

Everyone was ready. This game meant alot to the players. It seemed as if the Super Bowl was on the line. Actually it was the opposite. Going into the game the Rams had stumbled through 9 games of losing, while the Hazelwood West Wildcats had also lost all 9. This was both teams last chance at victory

Like most of their season, the Rams fumbled at the wrong times, were penalized in key situations and did little things that thwart good scoring drives Both defenses played exceptionally well, but eventually, Tony Doss picked off a pass, returned it to the one, and moments later Darren Thomas scored the only touchdown in a 7 to 0 victory

Even with the Rams record as it was, many players placed high in the eyes of opposing coaches Darren Thomas was voted first team defensive back in the Suburban North Conference. Jim Basler was voted second team defensive tackle. Honorable Mention went to defensive back Darryl Wilson

Sophomores Holding On . . .

The Sophomore Football Rams though struggling through a 3-7 record, showed signs of talent that will undoubtedly reshape the future of Ram Football

At quarterback was Tony Girst He will surely help out because of a strong passing arm an offense Riverview is not known for. To compliment this is three good running backs Wil iam Peoples. Kevin Vaughn, and Larry Kahle. All three are solid backs. Vaughn, and Peoples having also played varsity.

Brian Clubb will help out the offense line while Freddie Washington and Ed Vols will help the defense

The future of the Varsity Rams surely looks good

Newspaper - Riverviews

Sixth hour in room 214 is devoted to the production of the monthly school paper, "River-Vues"

Young reporters who have had a class in journalism have a variety of responsibilities. These responsibilities include deciding for every issue the content of the paper, writing the features, news and sports stories, planning the layout of each page, and distributing the paper

The purpose of "River-Vues" is to inform Riverview students of issues involving their school, their community, and their world. The newspaper also contains advertising which helps pay for the cost of printing the paper

In 1980-81, the newspaper class members were Jean Kilroy, editor; Jim Schermann, editor, Lisa Rebello, business manager, and reporters Lyn Meier, Cheryl Chambers and Bob Blakey. Mrs. Sainz was the adviser

The journalism class, which met during third hour, assisted the River-Vues staff by contributing stories to the paper

"River-Vues" is sold to the students during their sixth hour classes for 10 cents a copy

This year the Drama club presented two productions. The first was Tom Jones, the story of a homeless orphan who is driven from his home and his true love, Sophia Western. He travels to London and along the way meets up with many people with whom he shares his adventures. In the end he and his true love are united and alls well that ends well

The second production this year was the spring musical "45 Minutes From Broadway." It was the story of a young man who dreams he is in one of George M. Cohan's plays. The musical was packed full of old time favorites such as "Mary", "Grand Ole Flag", and "Give my Regards to Broadway".

Both plays were very enjoyable, with excellent acting. However, a lot of credit must be given to the lighting and sound crew headed by Dan Craig and the set crew. Also Mrs. Galvin and Mrs. Blick must also be recognized for the choreography for the spring musical

It was the middle of November. down in the hills of R G H S. The Gals were fixin to grab themselves a man'n carry'em to the BIG HOE DOWN- the annual Sadie Hawkins Dance. The gals made real fancy corsages with straw, hay, n' anything else they could find to give the fellas. Once they reached the dance the first thing almost everyone wanted to do was ta get hitched. The preacher, "Marring Sam" spent all night hitchen' couples together. The big event of the Hoe Down was the crowin' of the king This year's Sadie Hawkins king was Pat Baker who was crowned by last year's king, Jim Carey

To round up the night, the gals took the fellas out fer some grits and grub.

The National Honor Society is an organization in which it's purpose is to recognize students who have outstanding records not just in scholarship, but leadership, character, and service

The NHS has had a very successful year. They entered a car in the Homecoming parade, which won a fabulous first place. Next came the careful planning of the Sweetheart Prom. This involved many long hours of time and effort, to make it a special evening.

The biggest excitement of the year was the tapping of new members. New members attended a luncheon in their honor after they were tapped, then a few days later, the actual induction ceremony took placed, in which their parents were

1981 Sweetheart Prom. Feb. 20th. On what other night, do all the classes at Riverview get to dress in tuxes, suits and long dresses, buy flowers, and have a terrific time

"Lost In Love" was the theme of this year's Sweetheart Prom, and it truly was a night for couples to be lost in their love

This year the prom had a unique touch to it. The hall was decorated with glittering stars of blue instead of hearts. The court was seated around a cloud of angel hair

The evening started off with the usual picture taking, gossiping with friends, and finally a night of dancing and fun

The height of the evening was when Liz Buechendorf and Tim Downs presented their crown and scepter to the new 1981 Sweetheart King and Queen, Dan Kopf and Laurie Behrman

For most, the evening ended in a nice dinner at their favorite restaurant. All in all it was an evening which will be long remembered by all who attended

Keep It Rolling . .

"Hey all you Riverview fans stand up and clap your hands . . ." This was a familiar sound to most R G, students as they joined in with the Varsity Cheerleaders at games & pep rallies.

The Varsity squad had many responsibilities this year Along with cheering all varsity games, meets, & pep rallies they also did lots of extra things to help build school spirit They decorated locker rooms every week with signs & crepe paper, "decorated" houses, awarded the spirit stick at pep rallies, held cheerleaders Dare Day for the Hundred Neediest Cases, participated in the St. Pat's Day Penny Race, and Kidnapped the Varsity Soccer team, and took them to breakfast the weekend before the "Big Rosary game"

Their year began long before the actual school year began Hard hours of practice all summer and attending a weeklong U.C.A. Summer Camp helped them prepare for the year ahead. At camp they won 2 Spirit sticks, and 5 Ribbons.

The squad also had alot of fun times out of uniform Here's what a few girls had to say

"Cheerleading has involved a lot of time and hard work, but all the fun I had made it worthwhile". Sandy Kaufman-/Junior "I must say cheerleading this year has been a blast I'll never forget all the memories & friends that were made. I do feel ...". Sarah Rothwell/Senior. "Cheerleading was an experience I'll never forget. It made my years of high school a lot of fun. Whoop-do-do!". Joan Davis/Senior

Although their year of cheering together is over, it will not be forgotton, for they were not only a squad, but a squad of friends

Junior Varsity Cheerleaders

This year's Junior Varsity cheerleaders did a tremendous job and have displayed a lot of enthusiasm and spirit

Being a cheerleader at the Senior High is tough work. During the summer, cheerleaders must give up 3 mornings a week to practice. Some of this time is spent getting acquainted with one another since they come from both Central and East Junior High

The girls, who are chosen during the ninth grade year, are judged on cheers, double stunts, perfection, personality, appearance and pep.

In the fall the squad cheers for Junior Varsity and Sophomore football and soccer. Sometimes they cheer everyday for two weeks. They then cheer in the winter for Junior Varsity and Sophomore basketball, and wrestling. The squad must split up for these events. Once spring comes they are allowed to participate in sports themselves, if they wish

What goes through the mind of a parent when a daughter puts on a pair of sweats, grabs her Pumas, and says she'll be late for dinner because of football practice? Why, worry when she says have a hot bath ready because she is going to need something to heal her wounds? It is 1980 but is the world ready for such changes as Pro-Women Football players? Relax, this type of thing goes on all the time at the Annual Powder Puff Game

This year the Senior Women were supriseingly defeated by the Junior girls, by a score of 28-6. Both teams displayed a tremendous amount of competition and enthusiasm.

Terpischore

Their performance on May 7, 8, and 9th was a great success! They had practiced for months. They held practice every Tues. Wed. and Thurs, from 2.30 til 4.00. All members were chosen through a tryout period in the fall.

The members stuck together and raised money by selling candles.

Mrs. Blick played a big part in the show although she was not on stage. She was a very vital part to the show. Mrs. Blick designed costumes and choreographed all the dance steps except for the solo dance routines.

The day they had all been waiting for had arrived. It was opening night and the crowd waited with anticipation for the curtain to rise. As the curtain rose, there stood the best looking, best dressed girls waiting to dance their little hearts out for you. The show was fantastic! They were all marvelous! Chorus line, Oklahoma, the Wiz, Fame, and South Pacific were just some of the numbers that were fantastic. Godspell and Brana New Day from the Wiz were solo dances done by Dana Hines and Carla Wilhams. Yes, the 1980-1981 terpsichore was a success

She also led in rebounds with 202(80 per game) Sophomore Chris Horan led with a 36 0oFG%, which currently leads the all-time list. She also made 75 steals second highest on the team

Music Entertainment

The Music Department, consists of various types of subjects. The orchestra, which is conducted by Mr. Don DuPerrett, gives students the experience of playing in an orchestra and to expose the musicians to a wider variety of music

The concert choir, directed by Mr. Ernest Elgert, was a very busy group. They made special trips to Senior Citizens Centers, Nursing Homes and Jamestown Mall to entertain the public. They also had some members attend a solo festival at UMSI.

Then there is the Marching Rams, the Concert Band and the Stage-Jazz Band These groups were all directed by Mr. Richard Smith. The marching band were the busiest of all the music dept. They marched in various local parades as well as out of town. There biggest out of town performance was Knoxville, Tennessee for the Dogwood Arts Band Festival

Pat Baker led in almost every hitting catagory. .531 average, 3 doubles, 2 triples, 3 homeruns, and 16 RBI's. This years allamerican goalie may soon become an all-american first baseman

Grant Gerner hit .340 with Chuck Womack close behind at .339. Keith Reinhatt and Randy Bradley also hit around the 300 mark all year. This year's squad hit .290 as a team but errors cost them quite a few games.

Jim Dunger led pitchers with 3 wins (5 losses). Dunger was constantly hurt by bad defensive plays, often losing games they could have been won. Keith Reinhart and Bob Grecco also pitched quite effectively

Coached by Don Mitchell, this year's team consisted mainly of Seniors.

For the second year in a row the Ramettes zoomed through their conference to a 7-0-1 record once again capturing first place. Their overall record this year was 19-2-2

The biggest competition the Ramettes got was Hazelwood East, who finished at 6-0-2... An earlier tie with Hazelwood West coast East a chance at upending Riverview's place

When the two teams met for the suburban North Pennant it was called one of the best high school girl's soccer games either coach had ever seen. Both teams played tremendous defense

The game ended in a scoreless tie giving the Ramettes their second consecutive Suburban North title

The Girls Soccer Team, coached by Mr. McHugh, had a twelve game winning streak this year

RAM GOLF 81

The Ram Golf team got off to a dismal start. If there was an out of bounds on the course they found it. But even worse, if they would hit their ball into the woods they didn't find it

The senior studded team's biggest problem was lack of consistency. But midway through the season the Rams came on strong. Although they placed ninth in the Conference tournament, they came back the next week to knock off Hazelwood West, McCluer North, and Rosary in the District Tournament

First year coach, Bob Hirst, really enjoyed supervising and watching the team

Although the team only won two dual meets, they proved to not only the other teams but to themselves that they were capable of playing up to par

Coach Nordman: The End Of An Era

verview Senior High, resigned this year after twenty-four and one-half years of coaching the football RAMS. Coach Nordmans resignation was brought on due to health problems. Although, it wasn't the health problems that made him resign, he felt these problems wouldn't allow him to push the team as hard as he should

Mr. Nordman, who has been teaching and coaching here at Riverview since 1956, has an astonishing coaching record. His record in the Suburban North Conference was 87-Wins, 44-losses and 3 ties but that includeds a bad streak that came from 1976-80 of 11 wins, 29 losses some surprising facts are he won 10 of 15 games against Hazelwood Central, 12-15 against Ritenour, he was 10-3-1 against Normandy, 11-4 against Pattonville, and 5 and 1 against Hazelwood West, 8-4-1 against McCluer, and 5-3 against McCluer North. The only team he had a losing record against Hazelwood East(2 and 4). His overall coaching record ended with 123 WINS, 87 loses and 12

For Nordman there has been a lot of good years, but its not the championships he remembers but the kids he has coached. He recalls that a lot of the kids he coached are now doctors or lawyers. These achievements by his players make him as proud as if they were his own Nordman says, "the best thing about coaching is that you get to know the kids better than just a teacher but you learn things about them that you couldn't see otherwise." Not only has Nordman learned alot from his players but they also have learned alot from him

Although Coach Nordman has retired and no longer will be leading his team to Victory, he will always be remembered, along with his "WAR STORIES" that all his players will always recall

Commencement
Thursday Evening,
June 4th, 1981

WE ARE GREAT, WE ARE FUN, WE RE THE CLASS OF 81. We are the Seniors of 1981 and we are PROUD!

We have had great success this year and we all will have a great success as we go our own ways. Do you remember when in grade school how you thought you would never make it to the Senior High, where all the big people went to school? Well, now you've made it and now it's time to say good-bye. Ask yourself some questions. Did you find a close friend that you could depend on? Did you learn about team work, and how to love someone who needs you? If so, then you have learned something that you will use the rest of your life. School is not just learning English, Math and Science, but learning to get along with other students and faculty. The friendships that we have together will not die, but live in our hearts and minds forever. The hopes and dreams will be there as we take new and bigger steps in life. Just remember, we're the only class of '81 and there will be none other'
